Celestial Misfits: Player and Staff Commands

From the plugins built or updated Oct 11 – 18, 2026. <angle brackets> = fill in; [square brackets] = optional.

Players

Getting around and chat

ServerChat, ZenPanel

`/info or /help`	Open ZenPanel (Welcome, Season, When Wipe tabs...)
`/chat`	Your chat settings
`/pm <name> <message>`	Private message
`/r <message>`	Reply to your last PM
`/ignore <name>`	Ignore someone's PMs (toggle)
`/online`	Who's online
`/report`	How to report a player
`/cnick <color> / /cmsg <color>`	Your name color / chat color

Difficulty

Pick how hard the world is for you. Harder pays more RP.

`/difficulty`	Open the window: your level and when you can change it
`/difficulty <level>`	easy, medium, hard, elite, expert or nightmare (once per 24 hours)
`/difficulty credit`	Your summon credit and payback rate

Seasons (holidays)

Each season has its own command; they all work like /ecto.

`/ecto`	Halloween: your Ectoplasm, the meter, what's on
`/ecto shop / /ecto buy <#> [times]`	See the shop / buy item #
`/ecto offer <n|all>`	Give Ectoplasm to the community meter (fills = Headless Horseman)
`/ecto top`	Biggest offerers
`/ecto costume`	Your one free ghost sheet this season
`/boom /heart /egg /plaque /liberty /hardhat /doubloon /skull /ega /flag /wishbone /gelt /candy`	The other seasons, same sub-commands

Halloween Nights

`/hw status`	What's going on tonight
`/hw open / /hw close`	Hang or take down your treat lantern (look at your door)
`/hw treat / /hw trick`	Answer a knock
`/hw doorbell`	Make the speaker or alarm you look at your doorbell
`/hw lantern`	Start the Soul Lantern run
`/gr`	Ghost Rider on/off
`/grspeed [1-10]`	Your Ghost Rider speed

Grimwood Mutual

The Undertaker's funeral insurance. Read the fine print.

`/mutual`	The brochure and your status
`/mutual buy`	Apply for a policy
`/mutual rider`	Add Rider G-7
`/mutual policy`	The full policy
`/mutual mail`	Your letters

Wild animals and bosses

`/wild`	Help, and the name of the animal you look at
`/wild tags [on|off]`	Name tags
`/wild count`	Named animals by kind
`/wild next`	Next legend, or which one is loose
`/wild boss / /wild claude`	This week's boss / the superboss
`/wild fight [invite <player> | open | leave]`	Boss fight claims
`/wild top [all] / /wild stats [player]`	Leaderboards and stats

Quests, pirates, horses

`/board`	Today's and this week's Daily Board contracts
`/pirates`	Where the pirate ship is, or when it's due
`/claim (or /hclaim) / /hunclaim`	Claim / release the horse you look at
`/claim foal`	Turn a Foal Token into a foal
`/breed select | start | status | info | clear | cancel`	Horse breeding

Vehicles

`/vb (or /mvm)`	The vehicle shop and My Vehicles
`/recall [vehicle]`	Bring your spawned vehicle to you
`/pickup`	Pick up the vehicle you look at (empty its storage first)

Death Roast

`/roast / /roast on | off`	Help / opt in or out
`/roast stats / /roast top [category]`	Your record / Hall of Shame
`/roast again`	Replay your last roast
`/rb [message]`	Talk back to your roaster
`/roast hire`	Send a heckler to your last killer

Other

`/power on | off | toggle`	Free power for the device you look at
`/lifeline (or /988)`	Private crisis lines. Nothing you type is saved.
`/lifeline talk [message]`	Ask MoonDoggy to reach out
`/portals`	Server portals (Raidable Bases are on the other server)

Staff and admins

Game admins have every permission. Grant with: c.grant group <group> <permission>. Spawns and gives are logged.

RocketMan (custom weapons)

rocketman.give (self) · rocketman.giveothers (others) · rocketman.use (modes) · rocketman.free (no rocket cost)

`/rm`	Spawn Weapons window (one per click, logged); button to Rocket modes
`/rm give <weapon> [player] [amount]`	Spawn a weapon (hellfire, yeet, cattle, precious, thumper, hailmary)
`/rm 1-5 | ammo | off | status`	Rocket modes for ANY held gun (custom weapons keep their own)
`inventory.give m249.hellfire 1`	Console: the Hellfire's new shortname

Difficulty

difficulty.admin · difficulty.nolock (change any time)

`/difficulty set <player> <level> / reset / unlock <player>`	Manage a player's level
`/difficulty stats | players | rp`	Levels, this wipe's players, the RP table
`/difficulty testmode [on|off]`	No locks or shop limits (testing only)

Seasons and items

seasons.admin · misfitsitems.admin

`/season`	Which season is on, dates, the meter
`/season force <id|off|auto>`	Force a season (testing)
`/season give <player> <n>`	Give the current season's tokens
`/season meter <n>`	Set the meter (at the goal it summons the Horseman)
`/season debug`	Explains every kill's drop
`/mitems / /mitems give <shortname> [n]`	List / spawn our custom items

Halloween

headlesshorseman.admin · halloweenights.admin · grimwoodmutual.admin

`/hh summon [now] / /hh stop / /hh status`	The Headless Horseman
`/hw on | off | harvest | witch | fog | grave`	Halloween Nights controls
`/mutual approve / /mutual void <player>`	Grimwood Mutual
`/gr fit`	Fit the Ghost Rider skull (admins)

Wild Names

wildnames.admin

`/wild boss spawn | reroll | pick <name>`	This week's boss
`/wild claude spawn | reroll | kill`	The superboss
`/wild spawnlegend [kind] [here] / /wild mark`	Spawn / find legends
`/wild fight clear`	Release every boss claim
`/wild rename <name> / /wild legend`	Rename / make legendary the animal you look at

Pirates, Daily Board, horses

pirates.admin · dailyboard.admin · horsebreeding.admin

`/pirates start [edge|here] / /pirates stop`	Start / end the pirate event
`/pirates next <minutes>`	Schedule the next one
`/board roll / /board rollweek`	Re-roll the Daily Board
`/breed forcecomplete / /breed spawn <coat>`	Finish a breeding / spawn a horse

Vehicles

misfitsvehiclemanager.admin · game admin

`/mvm import`	Dry run: which new Karuza vehicles the export would add

`/mvm import confirm`	Add them (hidden, price 0) after reviewing; then reload
`/exportvehicles`	Run Grimm530's exporter first

Chat and players

ServerChat staff · zenwelcome.admin · deathroast.admin

`/sc <message>`	Staff chat
`/mute <name> <reason> <seconds> / /unmute <name>`	Mute in chat (also /mutevoice)
`/welcome test / /welcome reset [player]`	The daily welcome tab
`/roast target <player> / /roast hour`	Death Roast

Other

customanimalspawns.admin · nopower.admin

`/cas add <kind> | near | remove near | status`	Hand-placed animal spawn points
`/power debug`	What NoPower thinks of a device
